

Indian Hill Elementary School Online Learning Instructions

Indian Hill Elementary School Braves:

Please see the instructions below for online learning.

Academics

For our distance learning day, we will be using the platform of [Google Classroom](#). Students are familiar with this learning management system and use it daily. There will be an activity connected to each student's ELA and Math classes. This activity should not take more than 60 minutes.

Technical Support

To support our students' ability to participate in this activity, here are some additional instructions about how to access. Please view this [video tutorial](#) to sign into Google Classroom.

Username: firstname.lastname2digitgraduationyear@ihsd.us

3rd grader: firstname.lastname29@ihsd.us

4th grader: firstname.lastname28@ihsd.us

5th grader: firstname.lastname27@ihsd.us

Password: All students have created their own passwords. This password is the same password that students use every day to sign into their Chromebook. If you cannot log into Google Classroom, please use the resources described below.

If you find that you are experiencing technical difficulty, there are several resources that can support you:

- For class content-related issues, please contact your child's teacher through email.
- For technical issues, please contact our technology help line at (513) 272-9696 or email at ih-technicians@indianhillschools.org.
- If you have any additional questions, always feel free to contact the school directly at 513-272-4709 (Carolyn Anderson) and 513-272-4710 (Laura Hofrichter). After the conclusion of our initial staff meeting, we will be available to answer any questions from 9 a.m. - 3 p.m.

IMPORTANT Technology Availability

As part of the assigned activities, families need to provide us information about technology access for their child. For example, it may be challenging for students to complete activities if the only available device is a smart phone. To help us prepare, we would appreciate the completion of [this survey](#) by 11 a.m. on Monday, March 16.

We want to reinforce that the safety and security of our students and staff are always of paramount importance to our Board of Education and our administrative team. We appreciate your understanding as we all work to secure the safety of our students, our staff, and our community.

Sincerely,

Whitney Buell
Principal
Indian Hill Elementary School
