

Indian Hill Middle School Online Learning Day Instructions

Indian Hill Middle School Braves:

Please see the online learning instructions below.

Academics

For our distance learning day, we will be using the platform of Canvas. Students are familiar with this learning management system and use it daily. There will be an activity connected to each student's science course. This activity should not take more than 15 minutes.

Technical Support

To support our students' ability to participate in this activity, here are some additional instructions about how to access Canvas:

1. Student should login to their Indian Hill Google account.
2. Students should navigate to <http://ih.instructure.com>
3. Use their firstname.lastname##@ihsd.us email address to login (## is the last two-digit of their graduation year)

Please review the [Canvas for Parents Guide](#) for additional information.

If you find that you are experiencing technical difficulty, there are several resources that can support you:

- For class content-related issues, please contact your child's teacher through email.
- For technical issues, please contact our technology help line at (513) 272-9696 or email at ih-technicians@indianhillschools.org.
- If you have any additional questions, always feel free to contact the school directly at (513-272-4642). After the conclusion of our initial staff meeting, we will be available to answer any questions from 9 a.m. - 3 p.m.

IMPORTANT Technology Availability

As part of the assigned activities, families need to provide us information about technology access for their child. For example, it may be challenging for students to complete activities if

the only available device is a smart phone. To help us prepare, we would appreciate the completion of [this survey](#) by 11 a.m. on Monday, March 16.

We want to reinforce that the safety and security of our students and staff are always of paramount importance to our Board of Education and our administrative team. We appreciate your understanding as we all work to secure the safety of our students, our staff, and our community.

Sincerely,

Jennifer Ulland
Principal
Indian Hill Middle School
