

**INDIAN HILL
FOUNDATION**
TWENTY YEARS OF PHILANTHROPY

IMPACT REPORT

August 2021–July 2022

Proudly investing in our future

Your donations fuel exceptional learning opportunities in all schools.

▶ STEM curriculum supports across all schools. Launched a new Esports team, guided by a math teacher, to expand opportunities for school engagement. Continued support for the Digital Arts Technology Lab and Elementary School's Dorothy Koch iLab.

Continued support for the Digital Arts Technology Lab and Elementary School's Dorothy Koch iLab.

District partner for new Experienceship program. Networking with our community and alumni connections to encourage early career exploration and foster career readiness in our students.

▶ Service to the district includes using our staff to organize career events in all buildings, find professionals for specific class topics, ask recent alumni to talk about college pathways and inviting community members to judge senior projects.

▼ You funded educator-driven ideas. Elementary curriculum opportunity with fun and engaging "Breakout" boxes. Student choice, problem-solving and teamwork combined as students answered clues to reveal the solution inside.

▼ NEW Biology 9 curriculum allowed all 9th graders the shared experience of hands-on field research at the Cincinnati Zoo and culminated with a research presentation event.

▲ Alumni Organization recognized award recipients. CEO of McDonald's, alum Chris Kempczinski (left) spent time with students to share his experiences. Alumni communications provide connection for alumni nationwide, connect them with current students, encourage reunion planning and facilitate class legacy gifts to the school.

▶ Conquer the Hill 5K was back in-person, lent support to the district Wellness Committee, raised funds for innovation grants and connected our community.
