

Donors with Vision. Educators with Passion.

Your donations fuel exceptional learning opportunities in all schools.

▶ STEM curriculum supported across all schools. Consistent donor relationships and educator leadership led to next-generation Elementary School iLab.

Both PS and ES programs were awarded prestigious STEM designation awards.

Experienceships: as the district partner for this growing program, we network with our community/alumni

connections to foster career readiness and encourage early career exploration.

▶ Esports: supporting these innovative teams fosters new avenues for school engagement and regional/state competition experiences.

▼ You funded educator-driven ideas. The inaugural Big Pitch inspired students to research, analyze and creatively present their actionable innovations to improve life at IHHS.

Two teams earned the \$10,000 innovation prize to implement their ideas this coming year.

▼ Service to the district includes using our resources to organize career events in all buildings, connect with professionals and recent alumni for class conversations, senior project and Big Pitch judging.

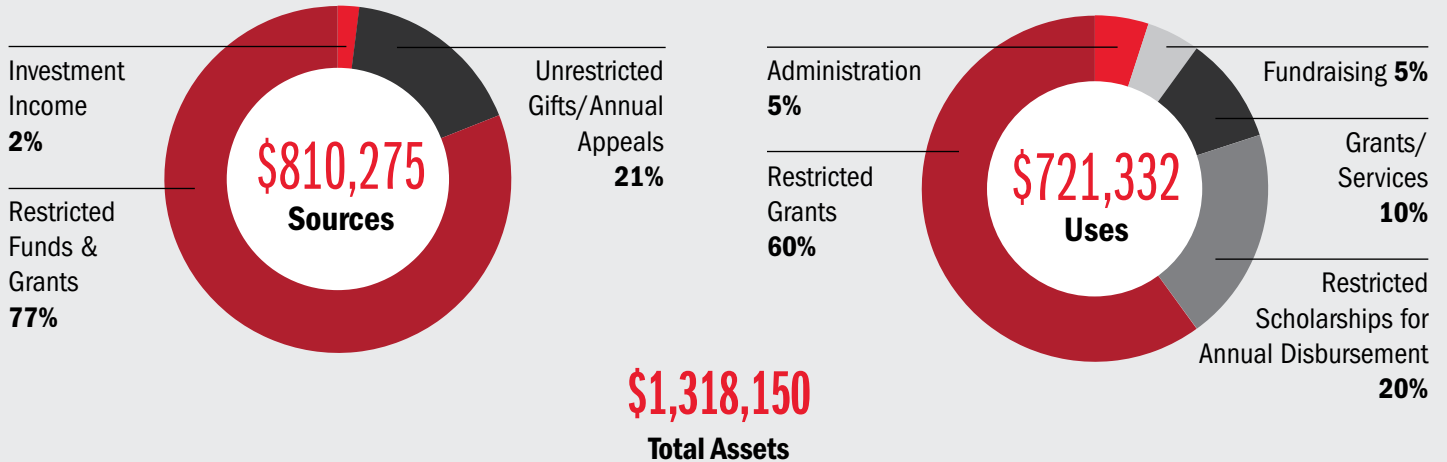

▲ Alumni Organization recognized award recipients. Brad Casper, CEO of Heart & Soul Marketing (right), spent time with students to share his experiences. Alumni communications provide connection for alumni nationwide, connect them with current students, encourage reunion planning and facilitate class legacy gifts to the school.

▶ As the gateway for giving to the district, we match donor philanthropy & vision with student and educator passion & achievement.

Sources & Uses

Fiscal year ending July 31, 2023 assets include \$621,770 in restricted funds.

Restricted Funds

Charitable Restricted Gifts are accepted for any approved school need under our Restricted Gift Guidelines.
