

WELCOME TO
INDIAN HILL HIGH SCHOOL

A MESSAGE FROM PRINCIPAL ANDY GRUBER

On behalf of our entire staff, it is my pleasure to welcome you to Indian Hill High School. Our team shares one common purpose: fostering and realizing each student's dreams. Our #IHPromise prioritizes our students by empowering their voices in a personalized, collaborative, and inclusive learning environment. We are committed to providing each student with the support they need to thrive, ensuring their unique potential is nurtured every step of the way.

We are incredibly proud to be recognized as a STEM Designated School by the Ohio STEM Learning Network. This honor reflects our commitment to innovative, hands-on learning that prepares students for success in a rapidly evolving world.

Our commitment goes beyond the classroom, as we offer exceptional educational experiences that support each student's growth in every aspect of their lives. Guided by our mission and rooted in our five core values – pride, integrity, leadership, respect, and service – we provide a well-rounded education that prepares students to become future leaders and globally-minded citizens.

In the following pages, you will get a glimpse of what it means to be an Indian Hill High School Brave. We're excited to share our journey with you as we continue to dream big, innovate, and pursue excellence in all we do.

Please don't hesitate to reach out if you have any questions. And always remember: We are, and will always be, BRAVES!

Dedicated to the success of our students,

Andy Gruber
Principal
Indian Hill High School

“**CULTIVATING SKILLS THAT TRANSEND THE CLASSROOM AND DISTINGUISH OUR STUDENTS AS THEY ENTER AN EXCITING AND BOLD FUTURE.”**

MR. JEFF DAMADEO, DIRECTOR OF K-12 LEADERSHIP AND CAREER DEVELOPMENT

ENTREPRENEURSHIP

Entrepreneurship is crucial for student success as it encourages critical thinking, innovation, and problem-solving, while fostering resilience, adaptability, and a proactive mindset. These skills not only boost academic performance but also prepare students to excel in various career paths and navigate life's complexities.

IH EXPERIENCESHIPS

Providing students with real-world, hands-on professional experiences alongside key partners enhances their focus on future career pathways by adding practical context and relevance to their academic studies. These opportunities enable students to explore their passions and develop essential professional skills, making them more prepared and adaptable for the future.

LEADERSHIP

Having the capacity to lead one's self so that they can lead others is a coveted skill for the current and future workplace. Developing a verified K-12 curriculum in leadership development and offering leadership credentialing opportunities will put our Braves at the forefront of future readiness.

CAREER PATHWAYS

Developing focused career pathways for K-12 students offers a structured roadmap, enhancing their understanding of opportunities and guiding their academic and extracurricular choices. By defining these pathways, students can align their passions with potential careers, enabling more individualized and informed decisions about their studies at Indian Hill and beyond.

PREPARING STUDENTS FOR THEIR NEXT STEPS IN LIFE

The Indian Hill School District is doing that, right now, in partnership with the Indian Hill Foundation – and we are inviting you to be involved. Welcome to Indian Hill Experienceships, a place where education and industry converge to provide unparalleled opportunities for our future global leaders to sharpen career skills and goals while enrolled at Indian Hill High School.

Indian Hill High School “The Big Pitch” makes big impact on community through student-dreamed and Indian Hill Foundation-funded service projects, and for the 2024-2025 school year it will establish a student stock market opportunity and expand business programs K-12.
