WELCOME TO

INDIAN HILL HIGH SCHOOL

A MESSAGE FROM PRINCIPAL ANDY GRUBER

On behalf of our entire staff, it is my pleasure to welcome you to Indian Hill High School. Our team shares one common purpose: supporting and realizing each student's dreams. Through our #IHPromise, we empower student voice and create a personalized, collaborative, and inclusive learning environment where every student is known, challenged, and supported.

At Indian Hill High School, we believe every student should have access to experiences that help them discover their strengths, pursue their passions, and prepare for what comes next. Our wide-ranging academic programming, exceptional athletics, vibrant arts, and extensive clubs and activities provide countless opportunities for students to explore, grow, lead, compete, create, and belong. Our commitment to experiential learning brings learning to life both inside the classroom and beyond our campus through our Experienceships Program, connecting students with authentic, real-world opportunities.

We are incredibly proud to be recognized as a STEM Designated School by the Ohio STEM Learning Network, reflecting our commitment to innovative, hands-on learning that prepares students for an ever-changing world. That same commitment to excellence extends across the entire Brave experience as we strive to meet the unique needs, interests, and aspirations of every student.

Guided by our mission and rooted in our five core values of pride, integrity, leadership, respect, and service, we prepare students not only for what comes next, but to become thoughtful leaders and globally minded citizens.

In the following pages, you will get a glimpse of what it means to be an Indian Hill High School Brave. We are excited to share our story and the many opportunities available to our students as they pursue excellence, embrace new possibilities, and create their own path forward.

We are, and will always be, BRAVES!

Dedicated to the success of our students,

Andy Gruber
Principal
