

Brave Return to School 2020-2021 Transportation Details for Safe School Bus Trips

These details will serve as a guide for all student travel on Indian Hill School District buses, including student-athlete transportation.

Safe School Bus Trip Steps:

- Masks are required. No mask, no ride.
- The District will always try to keep the front two seats empty.
- For larger groups the District will use a 24-seat bus.
- One student per seat. Siblings may sit together.
- Loading will be done from back to front. Unloading from front to back.
- Bus drivers will be giving safety instructions prior to departure.
- Bus drivers will wipe down and disinfect frequently touched areas such as handrails when students get off the bus.
- Seating charts are required. For athletic travel, an updated seating chart will be required for each day of travel.
- Seating charts for smaller groups will alternate every other seat.
- Each athletic group will be assigned the same driver when possible.
- For athletic travel, coaches will be taking student temperatures before getting on the bus.

Indian Hill School District Athletics

Indian Hill coaches will limit rosters as necessary for the use of one bus. Multiple buses will be used when necessary. Coaches will be expected to keep the seating chart updated and have a copy for the driver who will submit it to the transportation office along with the field trip sheet.
