

College Credit Plus Informational Session

When-January 14 at 6:00 PM - 8:00 PM ('Save The Date')

What- College Credit Plus (CCP) is a program that allows for students to earn college credit prior to graduating high school. Students have the opportunity to pursue rigorous academic coursework beyond the high school classroom that counts for high school and college credit.

Where-Virtual-links will be available just prior to the event.

Why-Through CCP, students can complete college courses toward a degree or certificate, or explore college content of their interest.

Who-Students in grades 7-12 who are mature, are comfortable working independently and with college faculty, and can demonstrate college readiness based on the college's established qualifications for admission. Admission to any CCP program is not automatic, a student must apply directly to the educational institution and be accepted..
