Class of 2021

A story of

Achievement

*Indian Hill Class of 2021:
A Story of Resilience*

Indian Hill High School Class of 2021:

If the story of your senior year had a theme, I believe it would be resilience.

By definition, resilience is the capacity to recover; it is toughness; it is the ability to withstand adversity.

Resilience gives you strength to overcome hardship.

This was no ordinary school year. You proved yourself extraordinary as you excelled academically and thrived in your achievements within athletics and the arts, even as odds were stacked against you due to COVID-19.

You overcame hardship.

Your legacy is your resilience.

We – your teachers, your families, your community – stand in awe at the grace with which you have navigated this school year.

Class of 2021: We will remember you as leaders. You are a shining example of student success during this unique chapter of your lives.

Your story is already amazing, and as the authors of the chapters yet to be written as Indian Hill High School alumni, we look forward to seeing how your stories continue.

As you prepare for the next chapter, there is one thing we want you to never forget: You are, and you always will be, Braves.

Lead on.

Kirk Koennecke
Superintendent
Indian Hill School District

“Braves, I ask that you take a moment and simply look around. Remember this moment, and remember how you feel. In a year that has created so much uncertainty, fear, and doubt, look how far we’ve come. Several months ago, the idea of us all being together here at Tomahawk Stadium, celebrating this extraordinary class of Braves was simply impossible. But the day is finally here, and as it should be it’s a day where the Class of 2021 and their loved ones can be together, look back at your time here at Indian Hill and truly celebrate,”

Jeff Damadeo
Principal
Indian Hill High School
