

Dear Parent:

Thank you for your inquiry about the Early Childhood Program located at Indian Hill Primary School. The program is a 5 Star program as rated by the State of Ohio. It offers a rich learning environment for children three through five years of age, including children with disabilities. Tuition paying students must be 3 years old by August 1st to be considered for enrollment. There are a limited number of slots available annually, with children currently attending given priority to return to preschool.

The program enrolls twelve children in morning and afternoon sessions, Monday through Thursday. Three tuition slots per session are offered for boys and three for girls in each session. Staffing includes an early childhood licensed teacher and a teaching assistant. Tuition is determined annually by the Indian Hill School District and is available upon request for the current school year. As a reference, tuition for the 2020-21 school year is \$1700 annually.

Please complete the registration form and return it to my office via email at Stacie.McMahon@HCEC.org or via US Mail, to the address below my name. Children are placed on the waiting list when their completed registration is received in my office, either electronically or via US Mail. Children may remain on the waiting list until they are age eligible for Kindergarten.

Thank you again for your interest in our program. If you have any additional questions, please feel free to email me at Stacie.McMahon@HCEC.ORG.

Thank you again for your interest in the Early Childhood program at Indian Hill Primary School.

Sincerely,

Stacie McMahon, Supervisor
HCEC Early Learning Programs
