Why Indian Hill: A message from CEO/Superintendent Kirk Koennecke

Before the sun was up, our fleet of school buses rolled out August 18 and smiles rolled into campus as we celebrated our #BraveFirstDay of school! (My absolute favorite day of the ENTIRE year!) The excitement hasn't stopped!

This 2022-2023 school year, we are asking an important, collective question as an organization: Why Indian Hill?

From our unparalleled academics, arts, and athletics, to our world-class and award-winning faculty and staff, we know the educational experience we deliver is unique. This school year, we will examine with you the "why" and share that story through our website, our social media channels, our printed publications, and our videos.

We look back over the last school year with pride: Indian Hill is ranked No. 1 in the state according to Niche; ranked No. 7 in the state by U.S. News and World Report; is a "Best Communities for Music Education" and has been the past eight consecutive years; is a Project Lead The Way nationally recognized STEM program and has been three consecutive years; and we remain a Top Workplace eight years and counting!

Why Indian Hill? This is home, and there's truly no place like it. Welcome back, Braves!

In service to our children,

Kirk Koennecke
CEO/Superintendent
Indian Hill School District

COMING TO INDIAN HILL HIGH SCHOOL DECEMBER 2023: DISNEY'S FROZEN

The Indian Hill School District is thrilled to announce Indian Hill High School's selection as the only school in Ohio and one of only 51 schools selected from some 300 nationally to debut Disney's Frozen on the school theatre stage. Disney made the announcement Friday, September 9, and Indian Hill High School Principal Jeff Damadeo made a surprise announcement to the student body at the end of the day.

Indian Hill High School students earn OMEA All-State music accolades

The Indian Hill School District congratulates 11 of our talented Indian Hill High School student-artists who were selected to perform with the Ohio Music Education Association (OMEA) All-State Orchestra and Choir ensembles for 2023. Students selected for the All-State ensembles will perform at the 2023 OMEA State Conference, which takes place in early February in Columbus.

“We are immensely proud of our Singing Braves,” said Indian Hill High School Director of Vocal Music Jeff Clark. “Hundreds of student vocalists audition for a spot in this prestigious ensemble each year through a blind audition process, and we are so lucky to showcase our student talent once again with a record-breaking TEN students accepted into All-State Choir!”

The complete list of Indian Hill High School students performing includes:

- Orchestra:** Aaron Scott
- Choir:** Franny Bell, Connor Coffman, Emery Cunningham, Sydney Frost, Joseph Kayne, Hayden Longbottom, Hrishu Rawat, Sarika Singh, Emma Stacey, Luis Vega-Torres

Indian Hill School District

Fall 2022 Construction Update

The Indian Hill School District Board of Education received a substantial summer update on progress made towards the completion of the District’s master facilities plan during the August 16, 2022 regular meeting. District partners MSA Design and Skanska presented a robust outline of construction work that has been completed, detailing a comprehensive logistics plan for remaining work.

“Substantial progress was made across our campus, and that is a true celebration,” said Indian Hill School District CEO/ Superintendent Kirk Koennecke. “We are extremely pleased our partners feel confident that we remain on schedule to complete both Indian Hill Primary School and Indian Hill Elementary School during the original timeframe.”

Both buildings are scheduled to be finished and opened for students in August of 2023. Skanska adjusted the opening for the new Indian Hill Middle School building, as work isn’t projected to be finished until November of 2023, with furniture setup in December of 2023, and a plan to move students and staff into the new facility in January of 2024.

“Given the current climate of supply chain issues plaguing construction sites across the country, we continue to feel optimistic despite having a slight delay in the opening of the new Indian Hill Middle School,” said Koennecke. “This is a building that will serve generations of Braves to come; the important thing is that we do it right.”

Additionally, during the September 2022 meeting, the Board of Education voted unanimously to approve a resolution that provides the Board a supplemental borrowing option of \$10.0 million to mitigate budget adjustments the master project is enduring due to inflation. This allows the Board to take quick action to lock in current interest rates on longer-term financing to cover additional costs.

“Our Board members want to get in front of rising costs and rising interest rates, to be excellent stewards of the investment our stakeholders have made in this multi-building construction project, while working to stay true to the original project scope,” said Indian Hill School District CFO/Treasurer Mick Davis. “This was a savvy move by our Board of Education to lock in a low rate, long term, during a time when rates are on the rise daily. We were able to achieve such a low rate due to the Indian Hill School District’s Aaa credit rating; Indian Hill is one of an elite number of school districts – only two others in Ohio – with the Aaa rating.”

“The reality we face as a school district is the reality all consumers are currently navigating,” said Koennecke. “We want our stakeholders to rest assured that we are moving forward conservatively without compromising the excellence our community both expects and deserves.”
