# WELCOME TO Indian Hill High School

**A Message From  
Principal Jeff Damadeo**

On behalf of each member of our staff, I'd like to welcome you to Indian Hill High School. Our IHHS team - from the administrative assistants, counselors, teachers, educational aides, custodians, food service members, to the administrative team - is committed to one goal ... the creation and cultivation of each student's dreams. Indian Hill High School is truly a place where dreams are discovered. That is our #IHPromise to you.

Collectively, we provide our students with exceptional educational services, both inside the classroom and beyond. Rooted within our mission, our five pillars - pride, integrity, leadership, respect and service - help to create a framework that focuses on the holistic education of each scholar and ensures we are inspiring tomorrow's leaders and globally competent citizens. As we have learned over the course of the last two years, ensuring that together we create a learning environment rooted in safety, connection, and agency is perhaps our most important role.

Through these pages, you will see a snapshot of what it means to be an Indian Hill High School Brave. We look forward to sharing our story with you. Together, we continue to dream without limits and create new, innovative opportunities towards transformational learning and excellence. Should you have any questions, please feel free to contact me directly.

And remember ... We are and always will be BRAVES!

Our support organizations are critical to our success. ### Indian Hill Foundation

Philanthropic partner to the District, the Indian Hill Foundation proudly supported K-12 educational excellence in partnership with the alumni, parents, teachers and students. The Foundation matched donor passion with school needs in academics, athletics and the arts, providing countless volunteer hours and \$800,000 invested by our community through the Foundation in what's next and what's possible.

- Grants launched an ESports program that went on to win State, a ninth-grade Biology capstone project, & Elementary School Breakout Boxes.
- Experienceships were designed and launched at the high school, expanding District wide career exploration and partnership.
- Alumni activities resumed, with 2022 Distinguished Alumnus Chris Kempczinski, CEO of McDonald's, spending quality time with current high school students.
- The Brave Opportunity Scholarship was established, providing an extraordinary senior the opportunity to pursue college without the burden of loans. Braves Helping Braves increased support of school families experiencing crises.
- Conquer the Hill 5K, in partnership with the District Wellness Committee, brought teachers, families, and neighbors together.

### Indian Hill Parent-Teacher Organization (IH PTO)

In 2021-2022, IH PTO supported all Indian Hill schools with financial support totaling \$165,250 and contributed substantial donations in materials. Countless volunteer hours were given, and the PTO sponsored and volunteered at over 80 events during the school year.

### Indian Hill Boosters
