WELCOME TO Indian Hill High School

A Message From Principal Jeff Damadeo

On behalf of each member of our staff, I'd like to welcome you to Indian Hill High School. Our IHHS team - from the secretaries, counselors, teachers, paraprofessionals, custodians, food service members, to the administrative team - is committed to one goal ... the creation and cultivation of each student's dreams. Indian Hill High School is truly a place where dreams are discovered. That is our #IHPromise to you.

Collectively, we provide our students with exceptional educational services, both inside the classroom and beyond. Rooted within our mission, our five pillars - pride, integrity, leadership, respect and service - help to create a framework that focuses on the holistic education of each scholar and ensures we are inspiring tomorrow's leaders and globally competent citizens. As we have learned over the course of the last year and a half, ensuring that together we create a learning environment rooted in safety, connection, and agency is perhaps our most important role.

Through these pages, you will see a snapshot of what it means to be an Indian Hill High School Brave. We look forward to sharing our story with you. Together, we continue to dream without limits and create new, innovative opportunities towards transformational learning and excellence. Should you have any questions, please feel free to contact me directly.

And remember ... We are and always will be BRAVES!

Indian Hill Foundation

The Foundation matched donor passion with school needs in academics, athletics and the arts, providing countless volunteer hours and \$770,000 in strategic gifts to help the Indian Hill Brave community thrive.

- Grants provided STEAM (science, technology, engineering, arts, and math) and reading materials so K-5 students could continue hands-on learning without sharing supplies.
- A virtual library of careers was introduced and will continue to expand offering students flexible profession exploration opportunities.
- Indian Hill High School received a new kiln and equipment for science labs.
- The community stayed connected and engaged through pop-up parties, and drive-through teacher appreciation. The #ONEBRAVE 5K in partnership with the Indian Hill School District Wellness Committee inspired local families, faculty and even an international alumnus to focus on a physically and mentally healthy outlook.
- Alignment, Community and Giving are the pillars of the new five-year strategic plan to strengthen the BRAVE experience.
