A MESSAGE FROM PRINCIPAL JEFF DAMADEO

On behalf of each member of our staff, I'd like to welcome you to Indian Hill High School. Our IHHS team – from the administrative assistants, counselors, teachers, educational aides, custodians, food service members, to the administrative team – is committed to one goal ... the creation and cultivation of each student's dreams. Indian Hill High School is truly a place where dreams are discovered. That is our #IHPromise to you.

Collectively, we provide our students with exceptional educational services, both inside the classroom and beyond. Rooted within our mission, our five pillars – pride, integrity, leadership, respect, and service – help to create a framework that focuses on the holistic education of each scholar and ensures we are inspiring tomorrow's leaders and globally competent citizens.

Through these pages, you will see a snapshot of what it means to be an Indian Hill High School Brave. We look forward to sharing our story with you. Together, we continue to dream without limits and create new, innovative opportunities towards transformational learning and excellence. Should you have any questions, please feel free to contact me directly.

And remember ... We are and always will be BRAVES!

UNPARALLELED ARTS

Meet Kaylie Withers

"Indian Hill has allowed me to have so many different opportunities, not just in athletics, but also arts. I think the fact that I get to do that is a huge blessing."

UNPARALLELED ATHLETICS

Meet Jason Zhao

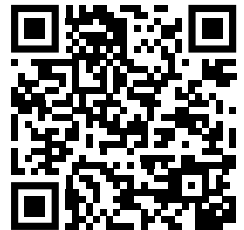

Anchored the junior world record relay in the 4x100m freestyle for Team USA!

"I love being a Brave because the support that the school has given me is insane. All of my teachers have been super flexible in working with me. I'm super grateful."

PREPARING STUDENTS FOR THEIR NEXT STEPS IN LIFE

The Indian Hill School District is doing that, right now, in partnership with the Indian Hill Foundation. Welcome to Indian Hill Experienceships, a place where education and industry converge to provide unparalleled opportunities for our future global leaders to sharpen career skills and goals while enrolled at Indian Hill High School.

How can you make Indian Hill High School even better than it already is? That is the question students are challenged with each year. Following numerous competitive rounds of elimination, the top presenters share their ideas in a final round to a panel of professionals at a shot for getting projects funded through a **\$10,000** grant supported by the Indian Hill Foundation.

ARTS

Thirty-nine Choir and 40 Orchestra students from IHHS participated in remarkable performance opportunities during their spring breaks. With almost 10 performances across Hawaii and Europe as well as immersing themselves in the culture of their locations, these students had musical experiences that will last a lifetime!

Indian Hill High School was selected as the only school in Ohio and one of only 51 schools selected from some 300 nationally to debut Disney's Frozen on the school theatre stage.

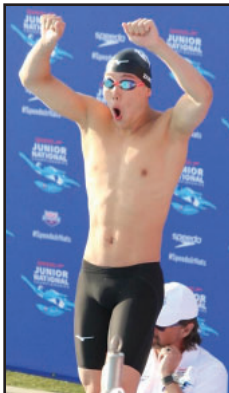

Indian Hill High School celebrated students who are planning for futures in the arts and military during the third-annual Arts and Military Signing Ceremony last May.
