

INDIAN HILL EXEMPTED VILLAGE SCHOOL DISTRICT
CLASS OF 2012

WE ARE AND ALWAYS WILL BE THE BRAVES!

UR

LEGACY

Dear Parents,

I am pleased to present the Class of 2012 profile. This class has many accomplishments, interests, and talents that have been nurtured, developed, recognized, and celebrated over the course of their high school career.

Their hard work, initiative, perseverance, creativity, and tenacity have been rewarded with the promise of unlimited opportunities at colleges and universities across the country, the armed services, or enrollment in specialized post-secondary programs.

Parents and family, teachers, counselors, coaches, and our entire school community are proud of the Class of 2012 for what they have accomplished. We are proud of their academic achievements, their athletic prowess, and their skill in visual and performing arts. We are proud of the questions they ask, the languages they understand and speak, the essays they wrote, the complex mathematical equations they can solve, and the history, literature, and scientific principles they understand and apply across multiple settings.

We have all witnessed their growth in assuming greater responsibility and growth in character as they strive to become persons of integrity, courage, compassion, generosity, and resourcefulness. We are very proud of these young men and women's generous spirit and the kindness and compassion we have seen them extend to others. The Class of 2012 completed over 23,000 hours of community service. Their volunteer efforts on behalf of many noble and important causes, made a difference in the lives of others.

The Indian Hill Exempted Village School has a clear mission: develop each student's maximum potential; prepare students to successfully compete on a global stage with a command of 21st century skill; and facilitate student's growth on their path to responsible citizenship, leadership, and service to others. As you read through this profile you will see a multitude of achievements and awards of the Class of 2012 that exemplify that our District's mission is being accomplished including the following:

- Newsweek ranked Indian Hill High School as one of the top 55 high schools in the U.S. for the second consecutive year based upon college readiness.
- The Class of 2012 includes seven National Merit Finalists and thirteen National Merit Commended students.
- Thirty-five percent of the Class of 2012 were accepted at *Barron's* Most Competitive Colleges and Universities and twenty-eight percent were accepted to the *US News and World Report's* top 25 colleges.

Congratulations to the Class of 2012 and their families.

Jane R. Knudson, Ed.D.
Superintendent of Schools

"My hope for each of you is that you will lead others by your own best example. Be humble and kind. Be dependable and do what you say you will do, even if it means unexpected sacrifice. Earn and maintain the trust of others by being honest and an individual of impeccable integrity. Be of value to others and your success will surely follow. Let your actions be a reflection of your knowledge and the strength of your character and be actions which your family, your school, and your country will be able to point to in the future with great pride. "

AP Scholar with Distinction - Granted to students who receive an average grade of at least 3.5 on all AP Exams, and grades of 3 or higher on five or more of these exams.

“You are a class that has had to tackle many obstacles, but you have been able to weather the storm and persevere through the trials and tribulations that this world has handed you. I believe Henry Ford stated it eloquently by saying:”

“Coming together is a beginning; keeping together is progress and working together is success.”

*Antonio Shelton, Ed.D.
Principal, Indian Hill High School*

"In many ways, this reminds me of my freshman year of Mock Trial when we learned that Currahee means "We stand alone together." That is what Indian Hill is all about. Some of us have been here for thirteen years, others of us for two years, and anywhere in between. Regardless of the number of years, we are all part of the class of 2012. Even as we go separate ways next year, we will continue to act as one with the Indian Hill mentality. We have the ability to think outside of the box, the strength to rely on our unique skills, and the wisdom to accept and ask for help when it is needed."

"I would like to thank all of the parents and teachers who have supported us through all of the ups and downs that high school and life have had to offer. ... We all know that we would not be standing where we are today without their help. Our teachers have and always will care about us, and now it is our turn to repay the countless favors they have done for us by excelling at the next level and continuing on our path to greatness."
