SUPERINTENDENT'S REPORTS – Dr. Knudson reported on a good opening of the school year, expressing her appreciation to staff and administrators for their hard work. Dr. Knudson reported on the successes of the Skyhawks Sports Camps held at Indian Hill during the summer of 2007. Participation increased in comparison to Summer 2006. Each child received a T-shirt, sports ball and merit certificate. Looking toward next summer, Dr. Knudson indicated that the District would like to continue working with Skyhawks, use the Camp Fair in February 2008 as earlier notice of the availability of the program, and plan to use Indian Hill logoed T-shirts and sports balls for the participants.

Mr. Ken Stegman, Facilities Supervisor, reported on the completion of several facilities projects during the Summer 2007. Projects included completion of the Middle School west wing renovation, corridor lighting, electric transformer update through Duke Energy, installation of ceiling projection systems in 22 Middle School classrooms, replacement of bleachers at Tomahawk Stadium, installation of stadium walkway lights, band area roof replacement and asphalt replacement, Primary School wiring upgrades and office carpet replacement. A total of 22 projects were completed and 17 of those were under budget by a combined total of \$102,000.

Dr. Mark Ault, Assistant Superintendent, presented a summary report of the new staff members for 2007-08 school year. Eleven teachers joined our staff this year replacing 3 staff who retired and 8 who resigned to relocate, remain home with young children, teach in other school districts, or leave the profession. Average years of experience for our new teachers is about 4.25 years; six of the eleven hold Master's degrees. Eighty-four interviews were conducted for these positions.

Dr. Knudson presented several Opening Reports, including Enrollment and Enrollment Projections, In/Out Migration, and Class Size.
